SCHOOL of ENGLISH LANGUAGE

WHERE THE WORLD COMES TO STUDY

English Equivalency

At VGC's School of English Language, we are proud of our academic reputation. We have earned this through our exceptional teaching staff, well-designed English courses and personal attention to our students.

All of our students take a placement test either online or upon arrival at VGC, to ensure that they are assigned to classes that are suitable for their needs and goals. We follow our students' progress carefully by counselling, guiding and helping them to achieve their language objectives.

All VGC levels are based on the Common European Framework of Reference (CEFR) and have equivalent band scores for the IELTS Exam, TOEFL Exam and Cambridge Exams. This allows our students to have a full understanding of where they are in relation to all major international standards.

To ensure student objectives are met, each VGC student receives a student folder where their individual work and progress is collected.

CORPORATE SOCIAL RESPONSIBILITY

VGC's Educate for Change

BRAZIL

CASA DO ZEZINHO

Located in what is called the "triangle of death" between Jardim Angela, Jardim Sao Luiz and Capao Redondo in the outskirts of São Paulo, Brazil. They help young adults living below the poverty line, most of whom live in no more than two room shacks with large families and who are often immersed in violence in- and outside of the home. Casa do Zezinho creates positive conditions, through education, art and culture, for low income children and young adults under extremely vulnerable conditions. They help young people overcome the barriers imposed by their living standards to become self-reliant and able to make mature decisions about their own lives.

VGC's international initiative to put money back into NGO's that support education in developing countries is a project we care deeply about. Partnering with NGOs from Brazil, Panama, and Thailand, VGC pledges to give a dollar a day for every Brazilian, Panamanian, and Thai student who attends our school. The collected funds are utilized to purchase school supplies and goods aimed at assisting low income families interested in improving themselves through education.

Please note: Donations are made in tangible goods such as: textbooks, pens, and paper. VGC International College does not benefit from any tax breaks.

PANAMA

INSTITUTO URRACA

Despite limited resources, Instituto Urraca promotes academic excellence and calls for young students to work hard towards attaining higher academic and professional goals. Instituto Urracá delivers a structured theory and hands-on high school program to students from low income families and various cultural backgrounds.

THAILAND

MIRROR FOUNDATION

This Thai Non- Governmental Organization is run by Thai and hill tribe staff who work for the social development of the community in general and for the benefit of ethnic minorities. Rai Som school, a school sponsored by this NGO, works specifically to give access to basic education to stateless children. The school's curriculum is designed to fit with the lives of the local community. It teaches the local language as well as Thai and English.
